## Hotel Developer Gets Nod from Council

The corner at Ball Avenue and St. Albert Trail has recently been eyed ardently by developers for proposed hotel sites. On the southern portion of Ball Avenue and St. Albert Trail, also for a proposed hotel complex.

Monday night council unanimously ratified a recommendation that a development permit be issued to Sam Shapiro, St. Albert Motor Inn (1972) Ltd. subject to nine conditions.

Later during the meeting, while dealing with a Com-

mittee Meeting recommendation, that the Leon Krygier hotel proposal be returned to staff for a revised outline plan north of Ball Avenue, met with some opposition.

Mayor Gibson was very vocal in his opinion that Mr. Krygier's application be given first reading, so that the developer be allowed to proceed with his rezoning application.

Mayor Gibson was roundly defeated by councillors Kambourff, Thronson, Lukay and Hudson. They were united in their views that a first reading, "opened the door towards an agreement." Mayor Gibson defended his opinion by pointing out that Council has a public hearing and two more readings to go through before an agreement is finalized.

Councillor Bob Hudson

asked, "how often have we shot down a proposal which has received first reading?"

Councillor Kambourff endorsed Bob Hudson's view by adding, "we must have an overall plan of the Ball Estate, north of Ball Avenue before we consider this application." Councillor Thronson added, "first we give the developer first reading, then its just a matter of course."

In a last desperate effort to save his motion, Mayor Gibson explained, "we have nothing to lose by giving this proposal a first reading, but precious weeks to gain." He pointed out to the four councillors present that time was of the essence and council should not sit on a proposal of this magnitude.

When the vote was called the count came out at 4-1 against Mayor Gibson's motion. As a result, the Committee Meeting's recommendation that an outline plan of that portion of the Ball Estate, north of Ball Avenue, covering the land and accesses to the proposed Leon Krygier hotel site be obtained before anything else is done. Councillors deBruin and Bakker were absent from the Monday meeting.

## Chamber Seeks Citizen Award Nominations

The St. Albert and District Chamber of Commerce is presently receiving nominations for its Citizen of the Year Award.

Chairman of the committee, Jim Oliphant issued an appeal this week for nominations from local organizations and individuals.

"We are seeking help," Mr. Oliphant said, "in obtaining submissions listing achievements of deserving citizens."

Mr. Oliphant pointed out that there are many local people who have distinguished themselves during the past years and these people's resume should be submitted in writing before November 10, 1972.

Nominations should be submitted in writing, including all pertinent in-

formation regarding the nominee, and mailed to: The Chairman, Citizen of the Year Award, St. Albert and District Chamber of Commerce, c/o Grandin Agencies, 16 Perron St., St. Albert, Alberta.

The Board of Directors of the St. Albert Community League voted the sum of \$600 to the Sturgeon General Hospital at their regular September meeting. Having been advised by the hospital administrator of some of the areas of need, the board decided to make these funds available for the purchase of an ultrasonic machine, used for deep massage in the physiotherapy department, and four sets bed rails, also badly needed.

Proud Grade 12 Social Studies' students of Paul Kane High show off their new movie camera, won this summer with their entry into the Edmonton Junior Exhibition film competition. Back row, left to right: Dick Vandenberg, Linda Halvorsen, Don Isert and Social Studies teacher Fred Shoerrock. Front, left to right: Bobbi Kufeldt, Geri Peterson and Angus Telfer. Absent when the picture was taken because of transfers: Andrej Wopelka, Debra Rutledge and Glenn Manyuk, the latter was one of last year's Social Studies teachers involved in the film.

## Film Prize Won By Students

While sophisticated organizations were spending time and money studying initiative programs, a group of Paul Kane High Social Studies' students simply forged ahead on their own during June and July and produced a six-minute color movie which won second prize in the Edmonton Junior Exhibition Board competition. This was the second year for Paul Kane High to win in this competition. Last year 1970-71, Calvin Milroy, 15 Scarborough Place won first prize.

Last June, nine social studies' students attending Paul Kane High accepted the challenge offered by

their teachers, Mr. F. Shoerrock and Mr. G. Manyuk to produce a film as an entry in the Junior Exhibition Board film competition. After a script was written, footage was shot and the six minute 8mm film was completed, Edmonton Exhibition Board and sponsors judged Paul Kane's entry second best and awarded the film makers a new 8mm movie camera worth about \$275., out of seven entries.

Working from the title, "Here Comes The Sun - Possibilities of The Future" the Social Studies' students wrote their own script on the theme of 'War.' As Geri Peterson explained it to The

Gazette, "that's the way we see the future."

The movie, entirely produced by the nine social studies' students, portrays the tragedy of a third world war. For settings, Here Comes The Sun was filmed amongst the bleak terrain of the Wabamun Coalfields, desolate marshy regions behind St. Albert Drive-In Theatre and railway yards in North Edmonton.

Now that Paul Kane High has a new movie camera to add to its equipment inventory, more films will be made and the Social Class promises to enter again next year and try for three wins in a row.

## Focus On Golden Years

'Time Flies'. A trite, overworked phrase, but one we find ourselves using because it is so very true. You are a child - and cannot wait to become a teen-ager. Then suddenly you're 21 and taking on more responsibilities, marriage, raising a family. Oh where have the years gone to!

Even so, you look at the little silver-haired lady and the dignified elderly gentleman - senior citizens - and seldom think that soon "I shall be part of that group."

Why do we avoid facing this fact? Is it because the so-called 'Golden Years' are really not so golden? Because instead of being respected, honoured and cherished, our elderly citizens become part of a forgotten, neglected segment of society?

In beautiful, picturesque St. Albert, proud of its autonomy and its history, there are many senior citizens. Pioneers who helped to build this lovely town. Let us look now at what their community is doing for them.

For many years they were virtually ignored. Then, recently, the St. Albert Breakfast Lions Club decided to help form and sponsor social activities for a Senior Citizens Club.

The Community League donates the use of its hall every other Thursday for card parties, meetings, etcetera. These organizations are doing their bit to help fill the void, but there is so much more to be done.

For instance many more of our older people could

enjoy these twice-monthly get-togethers if only they had transportation, especially during the winter months.

Transportation would mean a great deal also to the older person with a husband or wife ill in Sturgeon Hospital. "That's not far" you say? It can be exhausting and formidable if you do not have a ride. There are many such situations, many real needs.

True enough, most of us are busy people. Already beset by requests to assist, donate, to give of ourselves. But then that's what humanity is all about.

If you have a car, and can spare even two hours of your time per month, you could bring a little brightness into the life of an older person.

And who knows - if enough people care perhaps by the time you join this age group, it will merit the name of Golden Age.

If you can help at all, please phone Joyce Meurin, 453-2042, or Cindy Ryley, 599-8379 and offer your services. Little things mean a great deal to our older folk. Of all the people and groups we help, none are so appreciative as these. Do it now.

**EDITOR'S NOTE:** We are in agreement with the writer of this article, who has a record of involvement with our senior citizens, and we also believe that the response to this appeal for help with transportation will turn up many women and men in St. Albert who will be more than willing to assist. Co-ordinating of the service will be handled by the two women whose telephone numbers are listed.

Henry Terrault, left, President of the St. Albert Community League, presents a cheque in the amount of \$600 to the Chairman of the Sturgeon General Hospital Board, Bill Flynn. Presentation was made Monday morning at the hospital.

Lieutenant Governor J. W. Grant MacEwan congratulates Donald Ouellette, 13, on his selection as a Junior Citizen of the Year. Donald was one of nine young Albertans honored as Junior Citizens of the Year at the convention of the Alberta Weekly Newspapers Association. Each winner received a certificate from the utility company serving his area, a citation signed by the Lieutenant-Governor and a \$300 Canada Savings Bond. The Junior Citizen program recognizes outstanding young people of the province who have demonstrated courage, initiative and leadership. Donald rescued victims of a boating accident at Pigeon Lake. It is sponsored by the AWWNA and the investor-owned electric utility companies in Alberta.

## Chamber To Host Political Forum

be promoting a political forum.

This will be an excellent opportunity for the electorate to meet all four candidates vying for the Edmonton-West seat.

At the time of writing, all four party nominees agreed to be on deck October 18 and take part in the Chamber-sponsored Political Forum. They are: Mel Hurtig (Liberal); John Packer, (NDP); Marcel Lambert, (Progressive Conservative) and Don McLeod, (Social Credit).

## Socreds Nominate Pembina Candidate

At a nomination convention held last week in Sherwood Park, delegates chose their Social Credit candidate to contest the seat in the Pembina Riding.

Norman Wierchak of Athabasca, a family man, employed by Northern Alberta Dairy Pool became the 12th Socred candidate in Alberta. Social Credit Party of Canada officials in Edmonton said they will field 15 candidates in a full slate in this province.

Mr. Wierchak, the Social Credit candidate now joins the four-way contest for the Pembina seat. The other three candidates in the Pembina race are: Dai Hollands, Progressive Conservative; John Bryner, Liberal; and Tom Henningsen, New Democratic Party.

# Council Ratifies Clinic Proposal

On the strength of a proposal by Bernie Montpetit, of Carmar Holdings Ltd., September 11, Council on Monday ratified a Committee recommendation that a development permit be issued for a medical clinic building proposed for the north-east portion of Block 2, Plan "C" adjacent to Sir Winston Churchill and Grandin Road.

As Mr. Montpetit explained to Committee on September 11, his overall proposal would be developed in five stages, the first of which is for a medical clinic fronting on Grandin Road. Mr. Montpetit, in his submission, explained that in view of the time element, he and his firm would appreciate support for a development permit as soon as possible in order to get going on the construction of the medical clinic. He said that Carmar Holdings Ltd. have already submitted an overall plan of the entire subdivision and while awaiting for its approval, a development permit for the medical clinic would be appreciated.

Council's ratification of Mr. Montpetit's application was subject to five recommendations relating to the entire subdivision bordered by Sir Winston Churchill Avenue on the south, Grandin Road on the west. The recommendations include: closure of the lane and St. Thomas Street, a local improvement by-law, consolidation of lots, subdivision and dedication, staging of construction and the preservation of trees on St. Thomas Street.

In an interview with Mr. Montpetit Tuesday, details

of the new medical clinic were described as follows: The building will be fronting Grandin Road, cover an area of about 7,000 square feet and provide facilities for six doctors. Mr. Montpetit also disclosed plans for the construction of a service station proposed for the south-east corner adjacent to Sir Winston and Grandin as well as an A & W drive-in facility at the corner of Sir Winston Churchill Avenue and Tache Street. Plans are also on the drawing board for an 18-suite apartment block to be located at the northern end of Tache Street adjacent to Lions Park.

Mr. Montpetit explained that construction on the medical clinic will start soon as plans are approved.

"Regarding the other three projects, the service station, A & W and the apartment block," Mr. Montpetit said, "we'll have to await approval of the general plan before starting on those."

While reviewing the overall plan of the Carmar Subdivision, land dedications division, land dedications include a 12 foot easement along Sir Winston Churchill Avenue and 10 feet by 400 feet on Grandin Road. Mr. Montpetit then pointed out that a storm sewer will be installed on St. Thomas

Street, thus ensuring drainage for the Carmar property and Lions Park.

"and we're going to make sure that the trees along Lions Park are not disturbed," Mr. Montpetit promised.

As a result of sentiments eloquently made public regarding the Lions Park trees, Mr. Montpetit complied by shifting the entire Carmar Subdivision development towards Sir Winston Churchill Avenue and thus leave a wide buffer along St. Thomas and Lions Park.

## Arlene Borgstede named president Historical Society

St. Albert, which claims more history than any other town in Alberta, now has a Society dedicated to furthering the knowledge and appreciation of that history. The St. Albert Historical Society received its charter July 31, 1972, after the Father Lacombe Museum Administrative Board filed the application. The aims of the Society are:

\*to encourage the study of the history and more particularly of St. Albert.

\*to acquire and preserve information and artifacts pertaining to the original inhabitants, the early missionaries, explorers, fur traders and settlers of the region.

\*to secure and preserve history of the community and of the province.

\*to administer the Father Lacombe Museum.

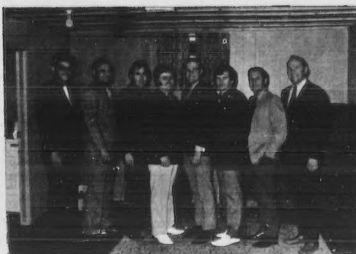

At the first meeting last week, the Society moved to elect an interim executive from the former board members, who will hold office until February, 1973, when, conforming to its by-laws, the Society will hold its annual meeting. Former chairman of the board, Mrs. Arlene Borgstede was elected president, Jim Parker, vice-president, Father Colin Levangie, treasurer and Mrs. Renee Laird will continue as secretary.

Residents of St. Albert and district will be invited

to join the Society late in 1972. Membership fees have been set to encourage maximum involvement by all ages. The individual membership fee for one calendar year is \$3.00, a family membership is \$5.00 and fees for those 18 years and under and 65 years and over is \$1.00. The Society will strive throughout the year to present a number of programs pertaining to St. Albert and its history.

Prior to holding a membership drive the executive decided to ask the citizens of St. Albert to design a logo or symbol for use on membership cards and stationery. A contest will be held with three categories, two for school students and one open class for any other St. Albert residents. Cash prizes will be awarded in each category and an overall grand prize of a framed reproduction of a sketch of early St. Albert will be given. Further details of the contest will be released soon.

It was also decided by the executive that the Society will be responsible for new display cabinet inside the crypt area. Renovations are being made within the crypt and the displays there will concentrate on the artifacts of Bishop Vital Grandin. Brother Andy Boyer, acting curator for the museum will co-ordinate the displays in the crypt.

The Kinsmen Club of St. Albert have kicked-off another active club year with a new executive already at work on major projects including minor hockey, Kincinema and Peanut Night. Members of the executive are from left: Lyle McKenzie, bulletin editor; Rusty Pollard, Elroy Haight and Bob McMaster, directors; Ernie Speake, registrar; Dave Stewart, past president; John Grave, secretary and Bob Myrthue, president. Missing from the photo is Terry Moore, treasurer. The club's first project of the year will be the annual Peanut Night September 27.

## Story hour returns at the Library

Now that the Cookie Monster and all his friends have had a short but well deserved rest, after the conclusion of the popular Summer Storyhour at the public library, they will be returning for a Fall Preschool Story-hour.

Due to the interest in the Storyhour the St. Albert Public Library will be continuing its very successful program during the fall, starting the first week in October. In anticipation of heavy attendance there will be two sessions offered each week, one in the morning and one in the afternoon on different days.

Starting Wednesday, October 4 there will be a Preschool Storyhour every Wednesday afternoon from 2 to 3. In addition, starting Friday, October 6 there will be a morning Storyhour every Friday morning from 10 to 11. All preschoolers in the area are welcome at either of these weekly sessions.

The hour will consist of

the usual variety of stories, games, and songs as well as the puppets. Mothers are reminded that all children attending must be capable of being left on their own since mothers are encouraged to leave the Library for the hour. It may be advisable for children to come with friends.

No registration is required for the eight week Fall session and attendance is voluntary from week to week. P.S. -- The Cookie Monster is having a wonderful holiday!

# New clinic for learning disabled lauded by meeting

The fairly good turnout of parents, teachers and friends of children with learning disabilities at Monday evening's meeting of the local association showed great interest in the new clinic being opened to help these children. "This is a tremendous break-through" said one mother.

Dr. Jane Silvius, and her colleague, Dennis Brammer of the Child Development Centre offered hope for immediate help for the learning disabled child in the clinic due to open early October.

They not only have a most impressive staff, but have the full resources of the U of A departments of pediatrics, speech and hearing, and ophthalmology at their disposal. It is their desire that the services be free to all children, with expenses being met by grants from government, foundations and donations.

Dennis Brammer defined the aims of the clinic to be:

- 1) Diagnosis
- 2) Remediation - the main thrust
- 3) In-Service training.

As many parents have come to realize, diagnosis without remediation simply compounds their existing frustration.

Dr. Silvius stated that the clinic would accept direct referrals from the parents, but she did stress that the most efficient, reliable means of identifying learning disabled children is a concerned, and knowledgeable teacher.

Service to children and families (a social worker is on the staff) is fundamental to their program. Emphasis is on help for the preschooler, but Dr. Silvius promised that the teen-ager would not be forgotten. How often are these older children simply written off? She feels that the local school districts should be strengthened in terms of their capacity to aid the child. It is undesirable to pull children out of the home environment unless effective programs could not be set up in familiar surroundings. Here is where their in-service training program would come to the fore by providing resource personnel to

conduct remediation in the home-school environment. Jack Patterson, principal of Vital Grandin School asked, "How would remediation be carried out in regular class?" Dr. Silvius answered that by a step-wise progression of:

- 1) Diagnosis
- 2) Formulating a program for the teacher.
- 3) Or sending out a graduate student to do the remediation.
- 4) Follow-up from the clinic.
- 5) Or tutorials outside of the school hours.

Jane cautioned against loading up the learning disabled child with work after school hours as these little people badly need relief from their days of frustration in school.

Mr. John Lindland of St. Albert asked how the Child Development Centre may relate to proposed government clinics being planned for Grande Prairie and Red Deer.

Dennis Brammer replied that their clinic had a program, they had staff, and they would be offering immediate help. The government clinics on the other hand had not yet obtained staff and did not have their program well defined. Jane pointed out that close liaison was being maintained to ensure that there would be no conflicts between the programs and stressed that the Child Development Centre program was tailored to meet the needs of the area after exhaustive research into the dimensions of this need.

Jack Patterson asked what the effect of summer lay offs are on the learning disabled child's remedial program. Both speakers agreed that these children would lose much from the average child of their developed skills and suggested a low key summer program.

Tony Sware of Leo Nickerson School asked how big a caseload would the clinic handle? Dr. Silvius replied that this depended on the back-up made available with the child. She recounted some excellent experience with a local school system which provided really thorough data with each referral, thereby allowing rapid development of remediation. Dennis stated that 150 children in the first year could be given a "really thorough work-up."

## Council Roundup

Council Monday approved an application from Stanton Developments Limited for a development agreement regarding a parcel of 12 lots in Greenwood Place (next to the Lutheran Church) on Grandin Road. The motion was made by Councillor Kambouroff and passed unanimously.

By-law 48/72 was given a unanimous first reading. This by-law deals with rezoning part of the subdivision in Grandin Park, referred to as Phase 7 of the Integrated Engineering (1969) Ltd. housing project. The application was recommended and ratified at a previous meeting but sub-

ject to several recommendations including accesses and the number of semi-detached units in the area. A public hearing date has been set for October 16.

An appeal was received from the Victorian Order of Nurses for a grant. The letter, signed by D. A. Macgregor, president of the Edmonton Branch pointed out to St. Albert Council that the VON had failed to qualify for monies from this community for two years while services have been extensively carried out in St. Albert. After considerable discussion Mayor Gibbon made a motion that \$500 be allocated in the 1973 budget as a VON grant. The vote came out 4 - 1 with Councillor Kambouroff casting the dissenting vote.

## Correction

In our issue of May 10, 1972 we erroneously stated that William Scholler, certified dental mechanic in Grandin Shoppers Park had studied for two years under Dr. Sperry D. Fraser where we should have said worked under Dr. Sperry D. Fraser. In the same article, third paragraph we said, "Upon graduating, Mr. Scholler operated a clinic in Wetaskiwin, etc." Here we should have said, "Upon receiving his certificate, Mr. Scholler operated a clinic in Wetaskiwin, etc."

If this article caused any one embarrassment or inconvenience, we would like to apologize.

Editor, The Gazette.

## Reader Comment Likes St. Albert

The Editor:

As a recent visitor, as guest of my brother and his family, to Canada, and particularly to St. Albert, I should very much like to say how much I have enjoyed my stay in your town.

I have travelled to various places in the past few years, and mixed with all sorts of people, but never have I met with such kindness and sincerity as I have done in this charming Canadian Township.

After the pace of London

I find the space and airiness of this beautiful country so

enlivening and bracing; the different styles of houses, all varying in their individuality, no rows and rows of "sameness" that we have in England; the glorious mountains and the open prairie land; I cannot see myself letting this be my only visit.

I hope to return to your town in two or three years, and to renew the friendships I have made in these past two weeks.

Mrs. Dorothy Clifford.

# Yvonne Vaillant married in St. Albert Church

MR. AND MRS. BOISVERT

On August 12, 1972, Yvonne, youngest daughter of Mr. and Mrs. Joseph Vaillant, 7 Mural Crescent, St. Albert, and Maurice son of Mr. and Mrs. Pierre Boisvert of Edmonton, were united in marriage at St. Albert Roman Catholic Church.

Rev. Jake Joly performed the wedding before an altar banked with baskets of white and coral carnations with white daisies.

The wedding music was played by Mrs. Jeannette Martel with Mrs. Irma Bulger as soloist. George Regimbald gave the scripture reading.

The bride, given in marriage by her father and mother, looked radiant in her floor length gown sewed by her mother of white satin with a stand-up collar, long sleeves, and a cathedral train falling from the empire waist. Lace trimmed the collar, front bodice and skirt, and edged the cathedral train.

A delicate cluster of petal flowers held her tiered nylon illusion bouffant veil. She carried a cascading bouquet of white daisies, coral roses and white carnations.

Bridesmaids were Viviane Ethier, and Eileen Sandy, friends of the bride. Both wore identical floral floor-length gowns of yellow and coral. The gowns were styled with an empire waistline and featured short puffy sleeves, trimmed with coral ribbon. They wore daisies in their hair, matching the flowers they carried.

The best men were George Regimbald, friend of the groom and Remi Boisvert, brother of the groom.

Ushering the guests were Charles Mahe, brother in law of the bride, and Leo Boisvert, brother of the groom.

To receive her guests, Mrs. Vaillant chose a floral floor-length gown of yellow, brown and white polyester nylon, with white accessories.

Following the ceremony a reception was held for 215 guests at the St. Albert Community Hall.

The master of ceremonies was Mr. Lucien Ouellette, uncle of the groom. Richard Houle, cousin of the bride, proposed the toast to the bride.

Leo Boisvert proposed the toast to the groom. Everyone enjoyed singing by Mr. Dan Boisvert and his daughter Simone.

A wedding dance followed with 425 guests present.

Music was played by the "Mark Four."

For a honeymoon trip to Banff and Jasper, the bride donned a blue and white tweed dress and coat ensemble, with white accessories, and red roses en corsage.

# The TD bank has a new way to lend you money.

It's called

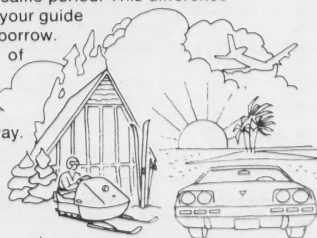

## CASH-FLOW

This is our new way of turning your personal loan wishes into reality. It's the money you're earning that counts most with us, not your possessions. Here's why.

You're probably basing many of your major expenditures on a cash-flow system right now. For example, you figure how much money you'll have coming in over a period of a year, and how much you plan to spend during the same period. This difference between income and expenditure is your guide to the amount you may comfortably borrow.

That's what our cash-flow way of lending you money is all about. Simple-enough, isn't it?

Stop in. And ask us about a personal loan—the new Cash-flow way.

## Rick Le Lacheur named coach of St. Albert Juniors

Ron Yanosik, president of St. Albert's entry in the newly formed Edmonton Metro Junior Hockey League announced last night that Rick Le Lacheur has been named coach of St. Albert's Junior hockey club.

RICK LE LACHEUR

In interviewing prospective coaches, Yanosik looked for St. Albert residency and hockey experience. Rick was chosen over many other local candidates after some long hours of deliberation. Mr. Le Lacheur has playing, coaching and leadership experience in minor hockey. As coach of a double A team in Edmonton he had many of his midlevel players advance directly into junior hockey.

Rick played his minor hockey with the Canadian Athletic Club of Edmonton prior to graduating to the Edmonton Western Movers Juniors. From there he went to the famed Edmonton Oil Kings for two years, the second as team captain. Rick's first year in the Oil Kings was under noted

hockey coach Bill Gadsby. Mr. Le Lacheur is vice president of Western Moving and Storage in Edmonton. He is married and he and his lovely wife Faye, have a young son. The Le Lacheurs reside at 14 Greystone Place.

One of Rick's first chores will be working with Mr. Yanosik in scheduling ice time in other arenas for practicing, as the St. Albert and District Arena will not be ready for the first few practices.

All players under the age of 19 before December 31, 1972 are eligible to play and welcome to attend the try-out camp. Players should contact the St. Albert Sports Shop, 599-5200 or Mr. Le Lacheur at 599-3776 as soon as possible as ice practices will start shortly.

This year's champions in the St. Albert Tennis Club, looking a lot more relaxed at the conclusion of the club tournament Sunday, than they did on the courts. Particularly in the mixed doubles the competition was very keen. From left are Dave Kirk, Betty Ontkean, Cynthia Sage, Roman Mureika and Fred Rudolph. Missing from the photo is Junior champion Kent Richardson.

## 25 entrants compete in tennis tourney

Last weekend -- in wind, sunshine and shower -- the St. Albert Tennis Club held its final tournament. There were 25 entrants competing for the Mayor's Cup (mixed doubles), the Scotia Bank trophy (ladies singles), the Imperial Lumber trophy (ladies doubles), the Bruin Inn Cup (men's doubles) and the Tennis Club trophy (men's singles). For the first time the tournament was completed on schedule, with all the finals being played Sunday afternoon.

Betty Ontkean was victorious in the finals of her three events. She won the ladies singles trophy by defeating Judy Wood 6-3, 6-1. She teamed up with Cynthia Sage to win the ladies doubles event by defeating Judy Wood and Sandy Warren 9-5. Betty and Fred Rudolph joined forces to defeat Cynthia Sage and Roman Mureika 3-6, 7-5, 7-5 in the mixed doubles event, the most exciting final of the afternoon.

For the third year in a row Fred Rudolph is the holder of the Tennis Club trophy for men's singles. He defeated Dave Kirk 6-3, 6-3.

The men's doubles winners were Dave Kirk and Roman Mureika. They defeated Clark Warren and Fred Rudolph 9-3.

Secondary tournaments were held in those events for which there were large enough entries. The following are the winners: ladies singles - Ann Kirk; mens singles - Lorne Wood; mixed doubles - Judy Wood and Clark Warren.

The Tennis Club would like to thank Lois and Fred Rudolph for bringing their trailer to the tennis courts. It was great to be able to take shelter from the wind and cold and to enjoy a cup

of coffee while "rehashing" highlights of the tournament. A singles tournament for junior boys was held Saturday morning. Kent Richardson is again the winner of the Club trophy for boys singles. Unfortunately there were not enough entrants in the girls section for the Canada Safeway trophy for girls singles to be awarded.

## Herman Kochan's Atoms in Edmonton Cup Final

On Sunday, September 24, Challenge Cup finals for the EMYSA Championships are being held in Clarke Stadium starting at 10 a.m.

The only St. Albert Representative team to reach a final are the Division 8 Atom Sabres who are coached by Herman Kochan. This game which starts at 4:30 p.m. is between St. Albert and Lauderdale with the winner advancing to the provincial finals. Hopefully we will have an excellent turnout from St. Albert to support the Atoms whose ages range from 8 to 10. Also this weekend the finals of the Local League Challenge Cups are scheduled for Saturday, September 23 at the Sir George Simpson Soccer Field.

Finalists are as follows with handicaps shown in brackets.

**BANTAMS** - Lancers (3) vs. Pirates (2 1/2). Kick-off 9 a.m.

**MITES** - Rangers (0) vs. Rovers (1). Kickoff 10:30 a.m.

**ATOMS** - Lions (1) vs. Tigers (0). Kickoff 12 noon.

The champions of each final will be presented with their challenge cup at the end of each game.

As the Peeewees schedule is not completed as yet this final should be played on Saturday, September 30.

Winners of the League Championships still require verification for two of the leagues and it is proposed to present these trophies at the Peeewe Challenge Cup final on September 30.

Should the games scheduled for Saturday, September 23, have to be postponed for any reason they will be rescheduled for Saturday, September 30.

## Huge Crowd enjoys Arts & Crafts Fair

The Arts and Crafts Fair Sunday was a huge success, reports Karen Grant of the Arts and Crafts Guild, who says that as near as could be estimated about 1,000 people attended. The co-operation of the principal and janitor was tremendous at Sir George Simpson School, she said. The Guild works also in conjunction with the Town Recreation Department, and this event

demonstrated how the joint-use agreement works in St. Albert.

The Guild now has 40 new general memberships, taken at the fair, which was a surprising development, in that they usually have about 300 associate memberships at \$1 per family, but have not previously had so many interested in general membership at \$2 per person.

Registrations were also taken, resulting in two addi-

tional classes being set up for the fall session, one in ceramics and one in multi-crafts. The only openings still available are in macrame, needlecraft and knitting and crochet.

The Library also took part, with librarian Don Mills doing a puppet show, which proved a big hit with the small fry. Don also was delighted with the sale of 30 new memberships in the library - in fact he ran out of cards at the library booth.

Les Graf, head of the Cultural Development Branch of the provincial government

came out to the fair, and selected especially outstanding items from almost every category to be displayed at the Library. Mr. Graf commented that the quality of work was very very good, and in the children's section he couldn't even choose, it was all so good. Visitors also included MLA Ernie Jamison and Mayor Ray Gibbon.

The program at the Arts and Crafts Centre gets underway the first week in October and the next big project of the Guild will be their annual sale.

## TID BIT TOPICS

Big game hunters in Alberta are being asked by the department of Indian affairs and northern development to save their hides this fall.

This department has started a hide collection program in an effort to help Indian craftsmen to achieve financial independence through a continuous craft production program.

The irony of the situation is that every year thousands of good hides are either left in the bush to rot or end up on garbage dumps. The department of Indian affairs is prepared to pay

handing charges of \$3 for a moose or elk hide and \$1.50 for a deer hide, plus transportation costs. To be acknowledged, the hides must be tagged.

Toronto Dominion Bank reported earnings of \$57.5 millions for the nine months ended July 31, 1972. The increase of 27 per cent over the same period last year, reflects a 23 per cent growth in total assets to over \$7.3 billions. Balance of revenue per share after provision for income tax was \$2.03 for the nine months as compared to \$1.55 for the corresponding period of 1971.

## Local kindergartens enroll 286 children 50 on waiting list

St. Albert's four kindergartens are all opening with capacity enrollments and waiting lists, and between them will accommodate 286 or more children ages four and five in their programs this year.

Mrs. Romeril reports a total enrollment of 96 in St. Albert Parish Kindergarten, plus about six on the waiting list. These are handled in two morning and two afternoon classes five days a week in the basement of the Roman Catholic Church and an approved portable classroom down the hill. Three teachers each have a class of 24, each teaching both mornings and afternoons. The kindergartens, which is non-denominational started classes Monday. Children who will be five years by February 28 are eligible.

The Creative Schools Society has 90 children enrolled and 15 - 20 on the waiting list, reports Mrs. Swan. The nursery school for four year olds has 20 in one class, and there are

three classes for 70 five year olds. Most of those on the waiting list are for the Nursery School. The four classes operate five days a week with four teachers and two assistants on staff. Classes are held mornings and afternoons for two and one-half hours each. The school is beginning its eighth year.

Mrs. Gibson has a full enrollment of 40 children for two classes of five year olds and a waiting list of 10 or more, in the Co-operative Playgroup program. She believes that 15 is a good maximum per class, but does not like to see children with no program and so has been taking 20, and this year may consider 22 per class. Because of curriculum continuity this school can't add children after the new year, even though some may leave if their families move. If another spot could be found we could easily have sufficient children to add another full class, said Mrs. Gibson. This school, operating in

the Clubhouse (maximum 25) is entering its fourth year. Mrs. Kwak at St. Albert Protestant Kindergarten is starting her 10th year, also with a capacity enrollment, which is 30. She has 15 - 20 on the waiting list, again many of these are four year olds. Classes started in the Braeside Church on Sept. 5 and run five mornings a week. Mrs. Kwak is considering afternoon classes after the new year.

All four teachers were of the opinion that the strong demand for kindergartens will continue in St. Albert, and that given more facilities they could expand.

## Good turnout starts season for Auxiliary

Over 30 women attended the first meeting of the season of the Ladies Auxiliary to the Sturgeon General Hospital Monday night, and President Shirley McQuitty was delighted to have a good showing of new faces. The newcomers showed keen interest in the work of the Auxiliary and a willingness to get actively involved.

In view of the fact that the meeting was discussing

### Prize Winners Announced

Following a very successful official opening last Saturday, Robinson's Pet and Hobby Supply Ltd., of Grandin Shoppers Mall, announces the winners of the door prizes:

Bradley Ramey of 22 Grenfell Crescent, St. Albert won a Budgie in a Cage, donated by Hartz Mountain Pet Supplies Ltd., Murray Harris, 3 Sylvan Drive, St. Albert, won a Duet Cage for birds, donated by Seuters Aquariums Ltd., Jamie Sanders, 8 Gilmore Crescent, won a Covered Wagon Lamp Kit donated by Robinson's Pet and Hobby Supply Ltd.

A woman walked into a pet shop, looked around and walked over to a parrot in a cage.

"Can you talk?" she said. "Sure," said the parrot. "Can you fly?"

A psychoanalyst asked a patient what she had dreamed the previous night. She replied that she had not dreamed at all. "Madam," he said, "I can't help you if you won't do your homework."

Dorothy Humbert of 43 Gilmore Crescent was Valedictorian for her class at the graduation ceremonies for Edmonton General Hospital School of Nursing, held Sunday, Sept. 17. Dorothy has been taken on staff at the Edmonton General.

Mrs. and Mr. Cliff Keyes and family have recently moved into their new home at 1 Glacier Place. They had no sooner unpacked everything when about 15 members of the Sturgeon General Hospital staff arrived to help Katherine and Cliff Keyes warm up their new house. A lot of fun for everyone present made the party a regular housewarming affair, complete with lots of food and refreshments. The new homeowners

were presented with a gift of pottery.

Harold Schmidt, business manager at the Sturgeon General Hospital since July of 1971 will be taking over the position of administrator at the Hinton Municipal Hospital early in October. Mr. Schmidt and family came to St. Albert from Barrhead, where he held the position of business manager. His resignation at Sturgeon General will be effective October 6th.

The Burning Bush Circle of Braeside Presbyterian Church held their first meeting of the fall season in the home of Mrs. Alfred Kenny. In the planning of their winter projects they decided to have their semi-

annual bargain basement and bake sale on home grounds this year. That will be in the basement of Braeside Presbyterian Church on Saturday, October 14 at 10 a.m. They hope that their old friends and customers will like the St. Albert location and will give their accustomed support.

The St. Albert Ladies Curling Club will again sponsor the High School Girl's Curling Club this year and according to Mrs. Sally Oakes, ladies' representative in charge of this project, eight or more rinks will be formed from the local potential membership, taken from all junior and senior high schools in town. The first general meeting of the season will be held September 22 starting at 4 p.m. in the curling rink club rooms where the 1972-73 executive will be elected. Positions to be filled include: President, Vice-president, Secretary-Treasurer, Social Convenor and a Ways-And-Means director. For further information call Mrs. Sally Oakes at 599-4537.

## Info Centre open for Charette

The organizers of the Information Centre for the Charette coming up next month have had very good response in setting up the centre on the Mall in Grandin Shoppers Park. "We've had lots of help from lots of people" reports Shirley McCaffery. The centre is open from 5-9 p.m. each evening.

The extensive centre was set up Monday, but there is room for further displays to be added, and they would be welcomed from either groups or individuals, on any area of community con-

cern. Use will be made of films and slides and a puppet show is a possibility.

One display that draws a lot of interest is the miniature model of the park proposed for Forest Lawn area, prepared by Mr. John Beedle parks superintendent, for the town. The younger people are enjoying getting some of their ideas down on paper balloons which are then tacked up on a display board. One young fellow would like to see the outdoor rinks with tarmac cover in summer so they could be used for tennis courts.

## Donna Marie Jensen married in St. Albert

Rev. Father Duchesneau conducted the wedding service uniting Donna Marie Jensen and Armand Sleen in St. Albert Roman Catholic Church on Saturday afternoon, September 16th. Scripture reading was by Rosemary Warslawski, who was also soloist, and Janice Link was the organist.

Donna is the daughter of Mr. and Mrs. Don Jensen and the groom is the son of Mr. and Mrs. O'Dell Sleen of Edmonton.

Given in marriage by her father, the bride was lovely in a long white gown, fashioned with empire waistline and A-line skirt, with long sleeves, and a full length veil extending to a train. The veil was held by a Juliette cap designed of white roses, with white rosebuds forming the side pieces which framed her face. She carried a bouquet of yellow roses centered with white orchids.

The bride was attended by Cindy Rowland as maid of honor, Doris Sutherland and Ardis Wehman, bridesmaids. They wore long gowns of pastel yellow, blue and pink, featuring the same styling, and carried matching bouquets.

Attending the groom were Don Howard, Robert Jensen, brother of the bride, and Ron Sleen, brother of the groom. Allen Jensen and Donald Stacey ushered the wedding guests.

Following the ceremony a reception for 145 guests was held at the Romanian Centre, when Lloyd Sleen acted as master of ceremonies. To receive her guests the bride's mother was charming in a long fitted gown in blue, with an overlay on the skirt of white

lace, and white accessories. Mrs. Sleen chose a cream colored floor length gown with purple accessories.

A toast to the bride was proposed by Denis Moore. The wedding cake, beautifully decorated, was made by the bride's grandmother Mrs. Hadley.

Special guests were the bride's great grandfather, Mr. Donat Villeneuve of Edmonton, her great grandmother, Mrs. H. Hadley of Evansburg, and her four grandparents, Mr. and Mrs. M. Jensen of Erskine and Mr. and Mrs. Herb Hadley of Edmonton. The groom's

fraternal grandmother, Mrs. O. Sleen of Camrose and maternal grandparents Mr. and Mrs. Russell Parker of Cutknife, Saskatchewan, were special guests also. Other out of town guests were from Calgary, Hinton, Edson, Fort Saskatchewan, Erskine, Camrose, Cutknife and Edmonton.

On Sunday an Open House was held at the home of Mrs. Don Jensen in St. Albert to which all of the guests were invited.

Following a wedding trip to Calgary and Banff, the happy couple will make their home in Edmonton.

## Christian Scientist speaks on relating

There is a spiritual and scientific basis for getting along well with others, according to a lecture given Tuesday by Josephine H. Carver, C.S.A.

People need to be understood as they genuinely are, to be appreciated as what the divine source has made, Mrs. Carver declared.

A Christian Science lecturer and teacher from Boston, Mrs. Carver spoke at the invitation of First Church of Christ, Scientist, Edmonton in the Jubilee Auditorium Social Room.

She brought out that the scientific basis for relating effectively to others is indicated throughout the Bible.

"For every Christian," she said, "the life of Christ Jesus is always the supreme example of how to conduct oneself with good-will towards others. His method was not indignation and blame and those other self-involvements such as the ugliness of self-pity, self-will, self-justification and self-love. His method in dealing with all temptation was to blame not others, but only - and this is according to the original text - the evil

one. Improving relationships and health on a Christian basis demands something of the individual, Mrs. Carver asserted. She called upon her audience to recognize and apply aspiritual understanding of God as the one source of existence.

"We can let this understanding," she said, "direct and govern all our relationships with people."

The title of the lecture was "How Do You Relate to Others?"

## Does your family have to fight?

There is a practical basis for peace in your family. You have a constant source of patience, understanding, and intelligence in God.

Bring your family to our church this Sunday and discover the qualities that make a family happy.

## 30 Cadets Invade CFB Summer Camps

Commanding Officer of St. Albert's 533 Royal Canadian Air Cadet Squadron Captain L. D. Gault and staff are quite satisfied with last year's cadet program including this summer's schedule of activities.

In an interview with The Gazette, Captain Gault revealed that 30 members of 533 Squadron, St. Albert, participated in six different phases of summer camp activities.

Helping in the interview was Captain Norman Lynch, acting as information officer, qualified these six phases of summer training. Captain Lynch explained that 18 cadets spent from July 10 to 24 at CFB Penhold while two other cadets went to Camp Churchill, Manitoba and one to CFB Baguville, Quebec. Also at Penhold there were four cadets who took band training, four bush familiarization training while one cadet took advanced NCO courses.

Sgt. W. D. Bissonnette enjoyed his two weeks at Penhold, although he and his buddies were ushered out of bed at 6 a.m. to start off on a busy daily round of adventures. LAC D. R. Tookey, who was one of the two who spent two weeks at Churchill had similar pleasant experiences out there in the northern post. Early to bed and early to rise gave the youngsters plenty of time to visit the rocket range, grain terminal, do a bit of flying, ride in an armored personnel carrier and even

fire off a few rounds on the range.

Cpl. D. F. Barry, who went to Baguville, Quebec for his two weeks, also qualified this year for glider training. Cpl. Barry has already logged two and one half hours in a glider and expects to complete his course this fall.

"We are just getting re-organized for a new semester," Captain Lynch said, "and we have great plans for the coming months, including greater participation in all phases of training, especially now that a girl's cadet corps is being formed."

The first bucket load of dirt scooped out Tuesday afternoon, marked the start of construction on the four-inch water line which will serve the Namao Community Centre. The project, initiated by the people of Namao were successful in obtaining a \$25,000 provincial grant to finance the project. The new water-line will supply the Namao School, Community Hall, United Church and Manse. These facilities are presently serving about 140 families in the area. The two backhoes, working in opposite directions from mid-point, expect to be finished about mid-October.

Jim Falls of Alcomdale, general contractor of the two-and-one-half-mile water main constructed to serve the Hamlet of Namao. He is seen at left hoisting a hose after draining a water-filled slough in the path of the ditcher. Foreman of the job is Clem Cloutier seen at right. The ditch will be an average of seven feet deep and is expected to be completed in about three weeks. Mrs. Rita Cloutier, the foreman's wife keeps a pot of coffee handy in the family trailer parked nearby while this project is in progress.

## Sturgeon MD Council Reviews Road Costs

A rather short agenda was dealt with Sept. 14 by the Municipal District of Sturgeon Council. All members of the board were present for the meeting which generally extends during two days, but was wrapped up in about nine hours this month.

A timely report was received by council from the Agricultural Service Board indicating that this year 13,000 acres within the Municipality were air-sprayed in the fight against the Bertha Army infestation. To cover that area, 3,180 lbs. of chemicals were used and the final cost to the farmer has been established at \$3.80 per acre. Council agreed to make representation to the provincial government in an effort to obtain assistance toward paying for the army worm spraying project. Last year, the government made a grant based on \$1.00 per acre.

The Municipal District Superintendent's report revealed that regravelling and cold mix costs so far this year amounted to a total of \$224,695.96. This sum includes the regravelling of 155 miles of municipal roads, 18 miles of cold mix a considerable amount of cold mix patch work plus over seven miles of regravelling of last years' construction. The above amount actually covers regravelling, cold mix and repairs to a grand total of 183 miles of MD road. Cost of oil for the program to date comes to \$58,606.06. A concluding comment made by the superintendent showed that gravelling costs came to \$3.01 per cubic yard delivered and spread.

Still dealing with MD road costs, maintenance of the 1,400-mile network within Sturgeon has so far this year come to \$116,501.00 while the cost of road construction to date comes to

\$90,500.00. This latter sum covers widening and grading of new construction.

Council acknowledged a letter from Alberta Concrete which confirms that this firm has reached an agreement with Consolidated Concrete for the maintenance costs of the Villeneuve East road to Highway 2.

An application was received from Robert Tarves for one of the two \$200 grants annually awarded to a student wanting to attend an agricultural college within Alberta. Mr. Tarves' application was approved. This is the second year the MD of Sturgeon has been offering bursaries to agricultural colleges.

The MD has entered into an agreement with Bajan

Enterprises of Edmonton for the supply of 10,000 cubic yards of crushed gravel at a guaranteed price of \$1.22 per yard. The firm also commits itself to supply required crushed gravel for 1974 and 1975 at a price not to exceed \$1.40 per cubic yard.

In view of the Alberta Association of Municipal Districts and Counties' convention, scheduled for November 14 to 17 in Edmonton, all members of the MD council were appointed voting delegates.

Approval was received from the Department of Highways Safety Traffic Engineer to increase the speed limit from 50 to 60 m.p.h., on the Correction Line Road, between Highways 2 and 28.

# Calahoo News

By Liz McLeod  
GOLDEN AGE CLUB MEET  
September 13 was a lovely evening for the 26 members that gathered at the Gazebo in Calahoo for their meeting to exchange friendships and enjoy playing whist and cribbage, darts and crokinole and bingo. A short business session was held. All present joined this newly formed club that plans more entertainment in future and many thanks to the lunch committee for that tasty lunch. The next meeting will be on Sept. 27 in the Gazebo. Anyone wishing to visit is most welcome.

What a thrill to win a trophy. Congratulations go to Mary Jane Douglas for winning the Don Gylander Trophy at the Darwell farm Jinks, whom the judge praised highly as a pleasure saddle horse.

Vic and Betty Albrecht had a pleasant weekend visit with Vic's sisters, Mrs. Viola Lund, from Keremes B.C., and Mrs. Lawrence Lambert of Sardis, B.C., when they came to the farm to visit and also wish their niece Elaine happiness now that she's Mrs. Hal Ohlman.

After his sisters left, Vic and Betty went down to Blackfalds, Alberta, to visit brother Louis Albrecht for the day. They also had the pleasure of meeting one of

Calahoo's new residents, Mrs. Aline Roddick, when Liz McLeod accompanied her to Albrechts.

There's only one way to get a rest from all the hustle and bustle of farm life and that is to just take a day off for relaxation by going for a drive to see this beautiful country of ours. This is what Henry and Joyce Bergstrelser, taking Uncle Ed Bergstrelser and Werner and Tona Christen with them motored to Miette Hot Springs, getting an early start Sept. 10 and enjoying the trip and relaxing in the pool. What a surprise you get when someone calls your name. Tona just stepped into the pool and her daughter-in-law's mother spoke to her. George and Betty McLeod were there too with friends. Then while relaxing in the sun, Marie Hennig, a former Hattenford WI member made herself known and she asked Tona to send her best regards to Mary Dalheim and Liz.

On the way back Henry stopped in Edson thinking he'd surprise his nephew Donnie Schermund, but being it was almost dark they didn't find the right trailer court. All concerned decided this outing was on so worthwhile.

There's always one way of getting an unplanned holiday trip. This was the case for the David Roddicks. Their son Kenny was visiting relatives in Estevan, Sask., and a nasty bump that needed stitches sent him to a hospital there and the doctor thought he shouldn't travel alone so phoned his parents and away went the family to bring Kenny home. It turned out to be any enjoyable holiday.

Dina and John Groppe, Helen Radjo and Werner Christen were among the 32 members of Onaway's Golden Age Club who pooled seven cars and motored to Thunder Lake for the day's outing. This lake near Barrhead is the nesting ground for the blue Heron and its a common sight in June to see them nesting in trees and on the ground with five eggs, an average in the nest. Taking their lunch along and pooling it there, they sat down to a delicious meal and later lunch, and thoroughly enjoyed seeing the country and enjoying each other's company. Dina was pleasantly surprised to meet Jim Cus's daughter Margie, Mrs. Jack Johnson there it's a small world after all.

This is a good time of year to go driving because the scenery is so beautiful, clothed in fall colors. As

you travel out west on highway 16 to Entwistle and Evansburg and north into the country as Werner and Tona Christen did taking Liz McLeod along to visit their daughter and family, the Jim Verbeek's Jr., we noticed harvest was in full swing and out there they haven't had the rain that we've had here. Was nice to visit with Ellsabeth, and four year old Wayne, also Lawrence Calihoo and Werner Loyer, plus neighbors who happened by and coming home, going north to highway 40, to see much beautiful country.

When Gordon Schermund walked into his house last Sunday he got a surprise since he had company from Ontario that he hadn't seen in 55 years. Mr. Allan Elks came to renew friendships and to reminisce. He is retired now so is travelling but finds idleness boring, since he used to be a worker and you can't suddenly just quit, can you.

On Sept. 8 a party for the forthcoming newlyweds Annette Kramps and George Primeau was well attended. Kay Kolesar was part of a foursome who provided the music for the 50 or so who enjoyed each other in good party fun.

Hector and Laura Boddiez, John and Dina Groppe, Joe Freitag and Pete and Liz McLeod were among the well wishers for six year old Mary Kerchof on her birthday. Mary was happily showing off her many gifts and was able to taste two birthday cakes since Dina brought one too. This same evening the Villeneuve 4H Club had their final meeting for the season at Marcel Kerchof's in the rumpus room. After the meeting this jolly group enjoyed visiting together.

Debbie Cramer was so pleased to know she'll receive a trophy for gaining the most points (187), for judging. Jackie Kerchof placed second with 148 points. The member's project books were taken at this meeting for correcting so there will be more winners when judging is completed.

Mrs. Rita Cramer, her son Gus and her mother, (84 years young) visited the farm and the McLeod's really enjoyed them and the delectable Chinese and Dutch dishes they brought with them for all to enjoy.

Gus is involved in motor-

cycle racing and plans to become a professional. His brother John and new bride Valter have moved into a house.

The next weekend were so pleased to have two very dear friends in Lily Bennett and Cliff McLean pay us a visit.

What fun it was to cut for partners and play cribbage and because time was passing it was decided to finish the rubber in at their place in future. How we miss the good times at Pine Sands since their lots were sold due to health reasons.

On Friday the 8th neighbors Joe and Mary Vollmer who now reside in Stony Plain, dropped in for lunch and a wonderful visit during lunch, before they went on to visit Myles, Daphne and Alex Kerr.

Last weekend we were so pleased to have Will and Judy Baron and Judy's mother, Mrs. Bertha Chapman out. Bertha is still in the University Hospital after major surgery but received a weekend pass to visit her sister on the farm. Judy enjoyed riding her horse, Goldie, since her work don't give her many weekends off. How lucky the sun was shining and the day was reasonable warm.

Louis and Margaret Rondeau and two year old Michelle stopped by Gordon and Emelia Schermund's enroute to their cottage at Pine Sands for the weekend. Two of Emelia's sisters, Katie Miller and Ruth Delaney with daughter Debbie came out on the day Emelia, Barry and Michael and Liz were busy plucking chicken so with their generosity the chore was completed much sooner than expected.

Brenda Coyes and Lorraine Berube stopped by this same day for a pleasant visit.

One of the highlights of the Villeneuve 4H Achievement Day held recently was the featuring of three Kerchof youngsters in the finals. Above, left to right: Denise with the Reserve Champion; Jackie who came in third place and Henry whose entry was judged fifth in his class. This was indeed a proud moment for the Kerchof family.

## Penalties & Graveyards add to the terror at Vanier 'Frosh 72'

By Darlene Van Brabant

Friday, Sept. 8, proved a big day for the 34 grade 10 students at George P. Vanier. It was "Frosh 72" and the students seemed somewhat terrified of the event which was to "damn" them for the day.

## Duffield WI marks 45 years

By Liz McLeod

It was a bright sunny afternoon Sept. 10 when this correspondent took Mrs. Mary Dalheim, District 11 Convenor, to Smithfield Hall at Duffield to help them celebrate their 45th anniversary. More than 50, past members were present, present members, and well wishers from Stony Plain, Darwell, Wabunan, Tomahawk, Sanguo and Calahoo Women's Institutes.

Thirteen ladies gathered at Hopkins United Church on Jan. 18, 1927 and invited Mrs. Millie Gaetz from Stony Plain WI to help organize the Duffield WI.

Guest speakers were Mrs. C. R. Wood of Stony Plain, Mrs. Vera Holt of Sanguo, district director; and Mrs. Mary Dalheim, constituency convenor.

There were five past-convenors present, Mrs. David

During the day, the condemned paraded the corridors in early costumes depicting everything from "brutus" to "Twelve Bird." The seniors and sophomores deliberately pained them with lipstick, shoe polish along with Brylcream

Brown of Tomahawk; Mrs. Peggy Mowry of Darwell, Mrs. F. Anderson of Wabunan, Mrs. C. R. Wood who first was convenor in December, 1913, and Mrs. Vera Holt.

Hopkins United Church has been re-modelled and is the hall now. It was gaily decorated with bouquets on each table set with fine china for four people and centering the head-table was a lovely cake gleaming with 45 blue and white candles. On the wall above the figure 45 was fashioned with yellow and white streamers surrounded by a chain of blue and white flowers.

## Bon Accord

Playschool registration will remain open until September 25. At the moment there are sufficient registrations for a five year old class. Local sentiments have been made quite clear that there are quite a number of mothers wanting a four year old class also. If this is the case, a separate four and five year old playschool facility can still be set up . . . but we need registrations. Therefore, if you want to enter your four year old in this year's playschool program, phone Pat Reichle at 298-2253 for registration.

## Wayne Krupa heads Gibbons Teen Club

By Gary Noel

Following a meeting called in early August by Mr. Joe Krupa, the Gibbons Teen Club was formed and a slate of officers was elected last week.

Chairman Wayne Krupa, vice-chairman Lorne Miller Secretary Gary Noel, Gary Moore on refreshments, Randy Mabbutt and Merlin Loblock, bingo representatives will serve one year terms.

The group started off \$40 in the red, but already have earned about \$80, giving them \$40 proceeds to expand the club. They meet Wednesday evenings with adults and parents invited and begin with bingo from 7:30 to 8 p.m. Gym activities

and eggs for shampoo.

In the evening, instead of the "old" Kangaroo Court, the scene was one of a "graveyard." As the curtains opened, screams of terror poured into the audience and the beheading of a victim added to the fury.

The judge and jury's bias against the grade 10s was evident. The judge was Gary Short, and the jury consisted of Denis St. Laurent, Dave Orbeck, Denis Proulx and Kelvin Solder. Most of the 34 students appeared and took their penalties well. Some of the penalties were: Marcel Bolsonnault imitating Elvis Presley, who delighted the crowd by singing "Hound Dog."

Laurier Nobert as Ginger challenged Jerry Leduc (Miss Teen Canada) for her title. Francis Morris as Romeo and Rick Anderson (Juliet) performed their famous balcony scene, as they left the stage, Romeo carried Juliet over the threshold. Marilyn Trach as the Cookie Monster counted the number of chocolate chips in a chocolate chip cookie. Donald Krauskopf as Brutus fought Marilyn Van Brabant (Popeye) for Oliveoil (Sylvia Hanagan). Denis Bolsonnault and Norman St. Laurent (Yogi and Booboo Bear) begged for food at a few Morinville houses. Andre Tailleux as Ranger Smith gave them a ticket for feeding the bears.

"Frosh 72" concluded with a teen dance attended by some 250 students dancing to the music of "Savoy Suite."

The grade 12 and 11 students are run from 8 until 9, followed by a break for refreshments and a short meeting. The evening is finished off with more gym activity.

A two-hour "Tarzan" film was purchased by Gary Moore last week, and was shown on stage while others used the gym.

A First Aid course, and other courses and entertainment are planned for the future.

Adult supervision is needed for the Wednesday evenings in the school gym, and the teens are hopeful that more parents, along with more young people from the country districts will be on hand as soon as the harvest is completed.

## Rural Recreation

By Carl Royan

### RECREATIONAL SKATING

Just a few more points on Recreational Skating in reference to the last two weeks. Some areas have inquired as to whether this type of program can be carried out on an outdoor rink. It is very possible to carry out the program on outdoor rinks in fact all eight years. Mrs. Sullivan has taught the program, it has been on an outdoor rink. The power skating and the learn to skate program can work very well with the hockey programs so hockey coaches should give this some consideration.

### CAMP HE HO HA:

There have been revisions to the information I gave on the Camp He Ho Ha leadership course in last week's Gazette. The meeting to finalize the plans is being held on Wednesday, Sept. 20 so the final information should be available then. The changes made will probably be the addition of two courses as well as advanced and elementary courses in all of the classes that were offered last year. Anyone interested in attending the course please contact me at the office.

Judo will be soon organized once again in the Horse Hills school. The times, cost etc., will be ironed out this week so the information will be available by contacting either myself or Mrs. Wrag

799-5618.

### BASKETBALL:

The organizational meeting for a Sturgeon Senior Basketball League will be held in the latter part of October. So any interested persons can start recruiting players any time. The schedule will not be too demanding this year until everyone gets into shape. I think this is an excellent way to get into shape or keep in shape while having fun so I am expecting a large response from teams wanting to enter the league. For more information contact me at the office.

## Zdril -deChamplain Wedding

St. Emile's Church in Legac was the setting of a solemn evening wedding on Saturday, September 9, when Jocelyne deChamplain and Jim Zdril united in marriage. Jocelyne, the eldest daughter of Ernest deChamplain chose to be married in Legal, which holds, for her, many fond memories. Parents of the groom are Mr. and Mrs. William Zdril, of Edmonton. Reverend Father Bissonnette performed the ceremony. Vocalists, Patsy and Lucienne Montpetit sang three inspiring hymns.

The bride, escorted by her father was radiant in her floor length gown with empire waist, banded with a soft pink ribbon that harmonized with her cascade bouquet of pink roses. Her long veil, accented by a Juliette headpiece, trailed delicately.

The bride's attendants, Carmen and Michelle deChamplain, sisters of the

bride and Helen Zdril, sister of the groom, were demure in pink, yellow and blue gingham-checked floor length gowns. They carried matching bouquets of roses.

Attending the groom were Doug Ozano, Philippe deChamplain and Robert Zdril. Following the ceremony a reception was held at the Legal Community Hall. Jerry Zdril, brother of the groom acted as master of ceremonies at a midnight buffet. The toast to the bride was proposed by Doug Ozano, a good friend of the couple. The groom replied with ease and wit, extending sincere thanks to their parents.

On Sunday, September 10, friends and relatives joined Jocelyne and Jim for a gift opening at the deChamplain residence in Edmonton.

On their return from a honeymoon in the Rockies, the happy couple will reside in Edmonton.
